

Github Submission

This screenshot shows the main page of a GitHub repository named 'ankiii07 / Placement_Training'. The repository is public and has 12 commits. The file list includes 'LinkedList', '.gitignore', and 'README.md'. The 'README.md' file is expanded, showing the title 'Placement_Training' and a detailed description of the repository's purpose, which is to provide a structured learning path for data structures and algorithms (DS & Algo) over 14 days. The description is divided into three weeks, each with specific topics and challenges. The right sidebar contains sections for 'About', 'Releases', 'Packages', and 'Languages'.
